30,000 SLAIN IN FEARFUL
FIGHTING OF THREE DAYS

Austria and Serbia at Breaking
Point Over Serbia's Alleged
Cruelty at Pristina

SOFIA, Nov. 19.—Bulgarian plenipotentiaries have been appointed to arrange a general armistice with Turkey.

Cholera in Bulgaria Army
The government has formally admitted that cholera has broken out in the Bulgarian army before Constantinople. This is believed to be the real reason why Bulgaria sanctioned the armistice. Dr. Roth, a celebrated German doctor, has been summoned to the Bulgarian front in order to direct the stamping out of the disease.

BULGARIANS ENCOUNTER STUBBORN RESISTANCE

LONDON, Nov. 19.—Conflicting reports come from Constantinople. All agree, however, that the Bulgarians are encountering more stubborn resistance near the capital. Nazim Pasha, the Turkish commander, notified his government this morning that Turkish successes continue. Sofia reports, however, that the Bulgarians were victorious in a desperate engagement at Derkos, driving back the Turkish right wing.

Military experts here predict that the Bulgarians will be unable to advance further. They say Ferdinand's resources, men and money, are exhausted, and that the Turks will recoup. They believe the Turks will at last win the most favorable terms.

CONSTANTINOPLE, Nov. 19.—The Bulgarians besieging the Tchat-alia defenses have agreed to an eight-hour armistice to bury the dead. The slaughter in the last three days has been fearful. Burial of the dead is necessary to prevent pestilence in the camps. More than 30,000 fell in the recent fighting.

In deference to the wishes of his army officers, Shiek-ul-Islam has sanctioned the burning of corpses of cholera and war victims, which is usually prohibited by Moslem law.

AUSTRIA AND SERBIA AT THE BREAKING POINT OVER DEATH OF CONSUL

VIENNA, Nov. 19.—The relations between Austria and Serbia are near the breaking point today as a result of the reported bayonetting of Austrian Consul Proschaska at Pristina, by Serbian troops, who are also alleged to have turned their guns on the town and its inhabitants, killing 11 men and 35 women and children. A telegram from Budapest says the emperor, when informed of the incident, said: "We are for peace, but not peace at any price."

The Vienna Reichpost, a newspaper, today demands that the government declare war. It says: "The unbridled license of the Belgrade Regicides has created a spirit in Serbia which is intolerable."

U.S. RADIO STATION PUT UP AT PEKING

U. S. Marines Will Operate
New Safety-in-War Device
at American Legation

WASHINGTON, Nov. 19.—In the event of future Chinese disturbances, the American legation at Peking will not be handicapped in dealing with the situation by lack of communication with the Asiatic fleet, as it was during the Boxer uprising.

Communication from Peking with the outside world has been assured through the establishment of a radio station at the American legation, operated by marines.

Successful communication has been established between the legation at Peking and the naval ships at Shanghai, a distance of 600 miles overland, as well as with the ships at Chee Poo and Tsing Tau. The establishment of the new station, which is the only well-equipped one in the Chinese capital, adds materially to the efficiency of the Asiatic fleet.

Buyers Strike On California Fruit, Costly

NEW YORK, Nov. 19.—The fruit buyers strike against California fruit continues today. One hundred and fifty cars of fruit products, worth \$300,000, still stand on the Erie railroad wharves. The buyers demand a reduction in the cartage price. Unless the strike is raised quickly the fruit will be a total loss.

Unless the receivers and agents of the shippers of the fruit in California come to terms the buyers say that not a bit of California fruit will leave the docks and the supply on hand will last only a few days.

The strike is the result of dissatisfaction with the methods of the receivers, who are really the brokers for the California shippers. The receivers, or brokers, the dealers say, have employed the boss truckmen, and while the buyers paid the freight the buyers complained that the receivers got a rebate from the truckmen of a cent a box. This would mean \$4 on a carload, which is about 400 boxes. Recently the receivers jumped the cartage to 5 cents.

TWO ALLENS MUST DIE NEXT FRIDAY

Supreme Court of Virginia
Denies Writ of Error in
Their Case

RICHMOND, Va., Nov. 19.—Governor Mann has granted a respite until December 13, to Floyd Allen and his son, Claude, both sentenced to death in connection with the Hillville Court House murders. They were scheduled to die on Friday, Nov. 22.

SUPREME COURT REFUSED TO GRANT WRIT OF ERROR

RICHMOND, Va., Nov. 19.—The Virginia Supreme Court of Appeals has denied the claim of error in the cases of Floyd Allen and his son, Claude, now under death sentence for the Hillville courthouse murders. Only executive clemency can prevent their execution on Friday next.

The crime for which these men are to suffer is complicity in the murder of Judge Thos. M. Massie, Commonwealth's Attorney Thornton L. Foster and Sheriff Lou Webb, who were killed outright in the Carroll county courthouse at Hillsville on March 14, 1912; and Juror Fowler and Miss Elizabeth Ayres, dying on March 15, 1912, from wounds received in the wholesale shooting at the courthouse the day previous. Floyd Allen, the patriarch of the Allen clan, and his sons, Floyd and Victor, were arrested on the evening of the fight at the courthouse, on the charge of complicity in the murder. On March 16, eight members of the Allen gang were arrested on a murder charge.

GRAND JURY BEGAN PROBE OF ARREST OF OFFICER LLOYD

LOS ANGELES, Nov. 19.—The county grand jury met in session today to probe the recent arrest of Special Officer F. W. Lloyd, which resulted in the discharge by Mayor Alexander of his secretary, George Baker Anderson. Fifteen witnesses, including Lloyd, have been subpoenaed.

Lloyd was formerly a police officer and is one of the chief witnesses for the prosecution in the Guy Eddie case. This grand jury inquiry will go into the charges that the arrest of Lloyd was a criminal conspiracy to discredit him as an Eddie witness.

Unitarian Annual Fair and Supper
A sale of fancy articles will be held at the Unitarian church, corner of Bush and Eighth streets, the afternoon and evening of Friday, Nov. 22. A meat pie supper will be served from 5:30 to 7:30. Price 35 cents.

TERRORIZED 40 POLICE MEN HALF-HOUR

Maniac With Box of Dynamite
Captured Police Station in
Los Angeles Today

HE WANTED TO DYNAMITE
PAUL SHOUP OF THE P. E.

Streets Closed to Traffic; Build-
ings Cleared; Man Overpow-
ered at Last by Ruse

LOS ANGELES, Nov. 19.—Threatening to dynamite the central police station, Albert Davis, sixty years old, of Long Beach, carrying a box of dynamite equipped with a trigger, today held undisputed possession of the police station, defying forty officers, for the space of half an hour.

Davis entered the police station at 11:30 o'clock and announced that he intended to dynamite President Shoup of the Pacific Electric Railway Company, and commanded the police officers to leave the building. All fled when he advanced with the box of dynamite. Chief Sebastian ordered all the prisoners removed from the adjoining city jail, cleared the adjoining buildings and closed the streets to traffic. The officers were afraid to attempt to shoot for fear of exploding the dynamite.

Davis was at last overpowered by a ruse. When Detectives Browne and Fitzgerald approached him from opposite directions, Detective Hosick rushed from behind and felled Davis with his club. Browne simultaneously seized the box, and the mechanism which had already been started by the trigger, tore the box to pieces and scattered sufficient dynamite to wreck the building had it exploded. All of Davis' pockets contained dynamite, and he also had a Colts .45" revolver. He is believed to be insane.

When he entered the police station Davis wore an auto mask and automobile goggles. He loudly demanded Shoup. When he recovered consciousness he gave his name and said he came to Los Angeles yesterday. He refused to talk further.

BURGLAR GETS OLD REVOLVER

Home of E. V. S. Pomeroy on
South Broadway Entered by
Thief Last Evening

Last night the home of E. V. S. Pomeroy at 808 South Broadway was entered by a burglar, who got away with a Smith & Wesson 38-caliber revolver and some small jewelry.

Pomeroy and his family have been at Newport Beach for several days, and the house has been in charge of Miss Emma Schmitgen. Miss Schmitgen was at her sister's home last night. This morning on going to the Pomeroy home she found the doors open, and indications that someone had been through the house.

Mrs. H. W. Hinze, who lives next door north, remembered seeing a light at the residence last evening about 7 o'clock, but thought Miss Schmitgen was at home.

Pomeroy returned home at noon today, and after looking over the house told City Marshal Jernigan that his loss was but slight.

Last Saturday Mrs. Hinze saw a stranger in her yard. The dog barked furiously. When Mrs. Hinze appeared to quiet her dog, the man walked away, as though the fact that someone was at home had made him decide not to go up to the house.

This morning Mrs. Hinze saw this man and a companion, and she thinks that they were going to take a car to Los Angeles.

Attempted Burglary
An attempt at burglary was made last night at the home of James H. Patterson, 212 Orange avenue. The family had retired by 8:15 o'clock. The burglar rang the front door bell twice, and got no response. He went to the back door, cut the screen and tried the kitchen door, but failed to get in. He went to the side of the house when a member of the family from a second-story bedroom asked the man what he wanted. He turned, and ran across-lots out of the neighborhood.

TAKE ORDER OF COURT TO GET CHANGE

Sacramento Office Asks What
is Matter With Fifth Pre-
cinct Returns

WILLIAMS STANDS
ON THE CANVASS

Loss of 85 Votes for Bull
Seems Not to Have Attract-
ed Attention Yet

County Clerk Williams is standing pat. Yesterday he was besieged with telegrams and telephone messages from Sacramento trying to convince him that his returns for Precinct No. 5, Santa Ana, are not correct.

"Send us the figures on No. 5," came one telegram from the office of the secretary of state.

"The figures I sent you in the first place are absolutely correct," wired Williams in return.

State Statistician Cremin seemed to have an idea that Williams has the authority to make a correction when there appears to be a glaring error.

"I have no power to make any correction of that kind," said Williams. "A mistake was made by the election board. The only way to correct that mistake, which we presume was made, for we have no prima facie evidence, is to have a recount in the superior court. I have followed the law absolutely, and no amount of importuning from Sacramento will make me change a single figure."

In Precinct No. 5, Santa Ana, the official returns sent to the secretary of state by County Clerk Williams shows Wallace, the first elector on the Republican-Progressive list, with 141 votes. Every other Republican-Progressive elector has but fifty votes. Griffin, first Democratic elector, got 148 votes, and the other Democratic electors got sixty-four. On the tally sheets in figures each Republican-Progressive elector was credited with 141 votes, and each Democrat with 148, but the election board had failed to put down all the tallies for the votes cast for any of the electors except the two in the lead, deeming that sufficient to show the vote for all. Under the law, however, the Board of Supervisors pay no attention to figures in making the canvass. It must count tallies only.

That is what they did, and Williams' return to the secretary of state is absolutely in accordance with the tallies shown on the sheets sent in from Precinct No. 5. Should a recount be demanded, the Republican-Progressive elector, Wallace excepted, would gain seven votes net.

As yet the Sacramento office seems not to have discovered a similar mistake made in Precinct No. 7, where Bull, a Republican-Progressive elector, lost eighty-five votes. With the result as close as it is, these eighty-five votes might be worth going into court to get, while the seven votes net for the twelve electors in No. 5 might not be worth the while.

Something of the disturbance created by the returns from No. 5 may be gained from reading the following, a dispatch to the Los Angeles Times:

SACRAMENTO, Nov. 18.—Secretary of State Jordan today gave out for publication the first official election figures. Nine counties have been corrected, approved and certified to the governor. They are Alpine, Amador, Calaveras, Contra Costa, El Dorado, Lassen, Mono, Tuolumne and Yolo.

At intervals from this time on the Secretary of State will give out the results as the county canvasses are checked and certified to the governor.

Eleven counties in the state have not yet sent their official election returns to the secretary. The outstanding counties are Alameda, Butte, Del Norte, Humboldt, Kern, Los Angeles, Madera, San Diego, Santa Clara, Sonoma and Trinity.

Glaring errors in the returns submitted from one precinct in Orange county by the clerk were discovered today.

Precinct No. 5 in Orange county showed Wallace, the leading Republican elector, leading his fellow candidates by ninety-one votes. He was credited with 141 votes and the other Progressives with 50 votes each. Griffin, the leading Democratic elector, was shown to poll 148 votes and the remaining Democratic candidates for presidential electors sixty-four each. The discrepancy caused Statistician Cremin to wire the county clerk, W. B. Williams, asking him to investigate.

Last night Williams wired back: "Record must stand. If there is mistake must be taken to superior court for recount."

Cremin has referred the matter to Jordan. In view of the small plurality between the leading electoral candidates, the entire complexion of the electoral ticket might be changed if this count is allowed to stand.

Both Wallace and Griffin lead their

BURNHAM HAS RESIGNED FROM THE COMMISSION

Successor May Be Appointed Tomorrow
—Conference Results in Decision
to Offer Whole Issue for Sale
In One Block

William H. Burnham of Orange has resigned as a member of the County Highway Commission. The resignation was presented to the Board of Supervisors today by Commissioner Burnham. Action upon it was deferred until tomorrow. The supervisors may at that time appoint a successor to Burnham.

Burnham is a well known capitalist. He has resided on a fine orange ranch at Orange for fifteen or twenty years. In a statement in connection with his resignation, Burnham says that he has two reasons for resigning. One reason is that his health is very poor, and he will be unable to devote any time to the work of the commission, and he believes considerable time will be required of a commissioner when road building is under way. He says that it is probable that he will soon change his residence from this county to Los Angeles County, in which case he would have to resign, and he believes it better for him to resign now so that a commissioner can be appointed to go ahead with the road building from the start, rather than have him resign in the midst of the road building.

The other members of the commission are M. M. Crookshank of Santa Ana and Richard Egan of San Juan Capistrano.

This morning the Board of Supervisors and the County Highway Commission held an informal conference in regard to the next steps to be taken toward the disposal of the \$1,270,000 good roads bonds voted on November 4. There was considerable discussion over the advisability of offering the entire issue of bonds for sale in one block or of offering the bonds for sale in blocks of lesser magnitude. It was the opinion of most of those in the conference that it would be best to offer the entire issue for sale in one block.

"BATH TUB" TRUST DECISION BY SUPREME COURT IS VITAL ONE

WASHINGTON, Nov. 19.—The Supreme Court yesterday upheld the decrees of the Maryland Federal Court dissolving the Bathub Trust, trade restraint being cited. No decision was read in the Anthracite Trust or Railroad Rate cases.

The Supreme Court recessed until December 2.

In a decision that is believed to inaugurate a new industrial epoch, marked by a decrease in the cost of living, the supreme court declared the so-called "bath tub" trust in illegal restraint of trade and in violation of the Sherman anti-trust act. The trust is known as the Standard Sanitary Manufacturing Company. It has operated in connection with several allied concerns.

By far the most important point in the decision is that it is held to be unlawful for a group of manufacturers to seek to control the products of patented devices. With one great sweep, therefore, the highest court in the land has swept away the foundations, not only of the bath tub trust, but a multitude of other monopolies that have been constantly increasing the cost of living by boosting the prices of their patented wares.

Statistics Cremin said tonight in reference to the Orange county case that it was his understanding, and he believed this was the attitude of the attorney general, that the county clerk has a right to correct the returns when he knew an error had been made. The county clerk of Orange county refuses to correct the returns.

JOHN D. ARCHBOLD WAS NOT ARRESTED

Texas Warrant Out for Him and
Federal Marshal Must Tell
Cause of Non-Service

WASHINGTON, Nov. 19.—A warrant for the arrest of John D. Archbold, president of the Standard Oil Company, for violation of the Texas laws, has been in the possession of the federal marshal at New York for weeks, but has not been served. William H. Gray, a lawyer of Houston, Texas, reached here last night to ascertain from Attorney-General Wickens why Archbold has not been arrested.

It is charged that Archbold, with others, engineered a deal by which the Standard Oil gobbled up the Magnolia Company of Texas after the Standard Oil had been ejected from Texas because it was a trust. The Texas authorities got federal indictments against Archbold and others and the warrants for arrest have been served on all except Archbold.

These warrants had been issued when Archbold came to Washington to testify as to the Standard Oil's political contributions, but no mention was made of the fact at that time.

JOHN SCHRANK IS DECLARED INSANE; WILL GO TO ASYLUM

MILWAUKEE, Nov. 19.—Five alienists have declared John Schrank, the attempted assassin of Col. Theodore Roosevelt, as insane. He will be sent to an insane asylum.

would have to resign, and he believes it better for him to resign now so that a commissioner can be appointed to go ahead with the road building from the start, rather than have him resign in the midst of the road building.

The other members of the commission are M. M. Crookshank of Santa Ana and Richard Egan of San Juan Capistrano.

This morning the Board of Supervisors and the County Highway Commission held an informal conference in regard to the next steps to be taken toward the disposal of the \$1,270,000 good roads bonds voted on November 4. There was considerable discussion over the advisability of offering the entire issue of bonds for sale in one block or of offering the bonds for sale in blocks of lesser magnitude. It was the opinion of most of those in the conference that it would be best to offer the entire issue for sale in one block.

Officials of the Department of Justice said last night that the decision would have a most important bearing on several other anti-trust suits, for example, the one filed against the shoe machinery trust. Should the latter monopoly be overthrown, the people, it was said, might expect to buy shoes at one-fourth to one-fifth less than the present prices.

Other combinations under this head that the government is said to have catalogued are the brass trust, the soil pipe trust, the wire trust, the nail trust, the rope trust, the plumbers' tools trust, the carpet trust, the metal roof and screen trust and the needle and pin trusts.

The decision is also regarded as vitally important to the economic life of the country because of the government's claim that the "patent license agreement" plan was being adopted by many concerns as a result of the judicial ban on the "pure trust" plan, as exemplified by the Standard Oil Company of Ohio; the "holding company" plan as declared invalid in the Northern Securities case and the combination of a holding company as shown in the Standard Oil and Tobacco Trust cases.

HICKEY IS CHILD MURDER SUSPECT

Buffalo Police Admit Evidence
That Hickey is "Maniac
Murderer" is Slight

TOMS RIVER, N. J., Nov. 19.—J. Frank Hickey, a chemist, has been captured at Whiting, N. J., by Sheriff Chilton on orders of the Buffalo police who allege that Hickey is the maniac "Post card murderer" who tortured and choked to death seven-year-old Joseph Josephs. The police say the man is also responsible for other child deaths. Hickey was brought here from Whiting to await the Buffalo officers' arrival. He denied knowledge of the murder, stating he could easily prove his innocence. The Buffalo chief of police says Hickey was formerly an employee of the Lackawanna Steel Works at Buffalo. He claims Hickey's handwriting corresponds with the writing on the post cards matted by the murderer.

Slight Evidence
BUFFALO, Nov. 19.—An officer started today for Toms River, N. J., for J. Frank Hickey, arrested there in connection with child murder here. The police admit the principal evidence against Hickey is a letter from Hickey to John Hoskyn, a millwright. They admit this is insufficient to convict.

"WHITE HOUSE" BABY ESTHER CLEVELAND MAKES HER DEBUT

PRINCETON, N. J., Nov. 19.—Westland, the late ex-President Cleveland's Princeton home, was the scene yesterday afternoon of a brilliant reception, in honor of the debut of Mrs. Cleveland's daughter, Esther Cleveland. Miss Esther was a White House baby. She has been a favorite in Princeton, and the interest in her entrance into society last night was universal.

Professor Preston, Mrs. Cleveland's fiancé, shared in the interest of the many guests. He was congratulated on all sides.

FIRE SWEEPS HOTEL ST. GEORGE

Three Perish, Many Hurt in
Flames Destroying Los An-
geles Hotel Last Night

HEROISM DISPLAYED IN
RESCUE OF THE HELPLESS

Scores Penned in by Flames—
Many Guests Missing; Origin
of Fire Not Known

LOS ANGELES, Nov. 19.—The police department has issued a formal statement that three persons are dead as a result of the midnight fire destroying the Hotel St. George.

The Dead
Mrs. Ella Moran, known as Mrs. Charlotte Harrington, actress, died soon after found.

Joseph Martin, jewelry clerk, passed away at receiving hospital.

Julius Malone, 38, engineer, burned to death.

The Injured
Miss Fern Melrose, severely burned and bruised, will recover.

Baby Harrington or Moran, burned about the body, may die.

Mrs. Frank J. Bock, severely burned, likely to die.

Mrs. Alice Lesser, wife of E. Lesser, hotel proprietor, severely burned, overcome by smoke, bruised, arm fractured.

Mrs. Ella Harrah, burned and bruised.

E. J. Bock, burned and injured by fall.

H. E. Harrah, burned and overcome by smoke.

Jefferson Osborne, severely bruised and burned.

Danny Webster, badly injured by jump from fourth story.

Joseph Barry, fireman, Company No. 8, cut by glass.

Leon Jaruin, fireman, overcome by smoke on fourth story, carried out.

The cause of the fire has not yet been learned.

The police are aiding Fire Chief Ely in his endeavor to account for the missing guests of the hotel. There were 144 registered last night, and less than half of these are accounted for. Chief Ely does not believe they are dead, as he has searched the ruins carefully. The cause of the fire has not yet been ascertained. The coroner will not hold an inquest over the dead unless later events indicate the origin of the fire is suspicious.

HEROISM SHOWN AS FIRE MENACED ALL WITH DEATH

LOS ANGELES, Nov. 19.—Acts of heroism by which many lives were saved marked the fire which practically destroyed the St. George hotel at 125½ East Third street at midnight last night. Nearly a score of men and women, overcome by smoke or lost in the blazing structure, were carried or led to safety by brave men who fought their way through the burning building.

One woman and one man are known to have lost their lives. An unidentified baby is reported lost, and other bodies may be in the ruins. Twelve men and women are known to be severely injured, while many more are slightly hurt and are suffering from burns and bruises and from being overcome by smoke. E. Lesser, proprietor of the hotel, estimates his loss at \$20,000. The building is damaged to the extent of perhaps \$25,000.

Julius Malone, engineer of the building, lost his life as a result of making five round trips to the top floor of the building in the elevator while his clothes were ablaze. On each trip he took many to the lower floors and would not stop his work of rescue until compelled to by his injuries.

Charles Helper saved the lives of three women and a baby whom he carried from the upper floors after he had wrapped them in blankets. Several messenger boys aided in the work of rescue and a number of city firemen carried guests of the hotel to the street by way of the fire escape and down ladders. Many others were injured by jumping from upper stories or by being thrown from the fire escape on the east side of the building when those coming from the top floors became panic stricken and crowded against those below them.

\$27,000 FOR ORANGE RANCH
POMONA, Nov. 19.—The sale of the Walker orange ranch on West Orange Grove avenue has been reported by the A. J. Williams agency. The ranch was purchased by Mrs. Oscar Overholtzer, who gave in exchange an eighty-acre alfalfa ranch in the Chino district. The total consideration was \$27,000. W. P. Walker also purchased through the same agency a five-acre orchard of young trees in the Monte Vista tract for \$7500.

Webster Club Meets

The Webster Club of the high school held a most enjoyable meeting Saturday evening at the home of Paul Anderson on Tenth street. Roll call was responded to by current events in couplet form, all being original and very humorous.

The subject of the evening for debate was, Resolved that the American game of football does more harm than good. The affirmative was upheld by Edna McMurphy and John Ball; the negative by Winifred Huser and Malcolm Tedford. This was a very amusing debate as there were several football boys present, who were taken as examples to prove both sides of the question. The judges were Helen McKean, Lenox Covington and Ruth Hilly. Their decision was two to one in favor of the affirmative.

The rest of the evening was given over to the initiation of new members and the election of several more to fill vacancies. Delicious refreshments of ice cream and cake were served, after which the club adjourned.

Amicus Club

The Amicus Club ladies and their husbands were entertained recently by Mr. and Mrs. J. E. Livesey at their beautiful new home. Red carnations and ferns were used in the living room and in the Dutch breakfast room where refreshments were served.

Whist was played, with Mrs. J. E. Lieblich winning a salt and pepper set as first prize for ladies, and Harry Spencer being awarded a hand-painted plate for high score among the men.

We have succeeded in arranging with Miss S. Cave, chief assistant to Prof. C. L. THREE BIRTHDAYS

All Celebrated at Once by Club of Girls to Which These 3 Honorees Belong

A delightful event was the celebration Monday night with a supper given by a girls' club of three birthdays of members belonging to the club. The honorees were Misses Elizabeth Eagle, Blanche McDowell and Bessie Hill. The five-course birthday supper was served at Taylor's at 7 o'clock covers being laid for eighteen. Red and white were used in the color scheme, red geraniums massed in a ribbon trimmed basket occupying the center of the table. Miniature turkeys were the place favors and tiny envelopes at each cover contained sentiments.

Entertained informally Miss Helen Austin entertained in a delightful informal way at her home on Chestnut avenue last evening. Progressive games and music made the evening pass merrily and at its close delicious refreshments were served by the hostess.

Those enjoying Miss Austin's hospitality were Miss Zoe Vanderlip, Miss Mary Collins, Miss Wood, Messrs. George Ash and Gilbert of Pomona, Lloyd Elliott and Carl Simkey.

Social Postponed On account of the death of Mr. N. C. Crawford, the November social to have been held in the First Baptist church Friday evening, Nov. 22, will be postponed indefinitely.

Personals

Misses Esther Wilson and Clarice Hamilton of Los Angeles were Saturday guests of Miss Etta Hale.

Mr. and Mrs. A. H. Palmer and sons Paul and Teddy arrived here yesterday from Chester, Ia., to make their home. Mr. and Mrs. Palmer are the parents of Wilbur Palmer, an employee of the postoffice.

Mr. and Mrs. Arthur H. Lyon are attending the Yuma Syphon Jubilee, which is now in progress at Yuma, Arizona, in celebration of the opening of the great tunnel under the Colorado River at that place. Mr. Lyon will also look after his business interests in Yuma county while absent.

Miss Carey Harvey returned to Los Angeles yesterday after spending several days at the home of her sister, Mrs. Norman Roper.

Mrs. Martha Cole of Illinois is a house guest at the Joe Baxer home on Walnut street.

Mrs. F. F. Rexford, who has been the guest of Mr. and Mrs. H. W. Willard for several days, returned to her home in Pasadena this morning.

Miss Margaret Allen was a Los Angeles visitor for the day.

Mr. and Mrs. D. L. Kilborn of Winnipeg, Manitoba, who are spending the winter in Santa Ana, and Mrs. W. Hawley of Iowa, who is also wintering in this sunny climate, went to Long Beach this morning for a week's stay.

Mr. and Mrs. W. S. Yingling are spending a few days with Mrs. Yingling's two brothers in Los Angeles.

Mr. and Mrs. Will Smith of Streator, Ill., are visiting at the Chas. Carey home on Pine street.

Mrs. Isaac Clark of Grand avenue is entertaining her brother, Capt. A. J. Chantry, of Malvern, Iowa, for a few days. Capt. Chantry won his title for efficient service in the late civil war, was later elected for many successive terms to the Iowa legislature and is now a prosperous banker in his home city.

Colt Breaks Boy's Leg Orange News: Neal Black, the young son of Mr. and Mrs. George Black, of South Center street, was kicked by a colt this morning, suffering a fracture of his left leg. Dr. Chapline was called to set the leg and found the fracture half way between the knee and ankle.

Neal seems to be the victim of hard luck. It has been only a couple of days since he was released from quarantine for scarlet fever.

Death of Mrs. Schooley Mrs. Anna M. Schooley, aged 59 years, wife of R. B. Schooley of Berrydale, died at her home last night. Her husband is at present in Madera and her sons are in Arizona. The remains will be held until the husband and sons are heard from before funeral arrangements are made.

AMUSEMENTS

Fat and Fun

Any person who thinks it isn't fun to be fat is respectfully referred to Ada Henry, one of Valeska Suratt's supporting players in "The Kiss Waltz," the famous New York Casino musical success, which comes to the Grand Opera House Wednesday, Nov. 20th.

Miss Henry, who is endowed with a great deal more than the average allotment of avoirdupois, says she wouldn't be thin for anything in the world.

"I understand that Mme. Tetrazzini has a corset which makes her appear thin by simply pressing a spring," says Ada. "Now, isn't that the limit? Why in the world should anyone want to be thin? What does thinness indicate? Good health? A happy mind? No! It is brought about by worry and the exhaustion of nervous energy."

Why, I could take fifty pounds off my weight in a week if I wanted to, but I don't want to. How would I do it? "Starve. Just starve and take exercise. But what's the use? I'd frankly confess that I am what you might call 'real corpulent.' And I am proud of it. Corpulency indicates plenty of reserve force. I'll wager that I enjoy life far more than the ordinary thin person. I get about on the stage with ease and grace. If you don't believe it, come and see me in 'The Kiss Waltz.'"

"By the way, I've been in the theatrical business for quite a while and never before have I appeared in a production that impressed me as much as 'The Kiss Waltz.' It is one splendid show, and Miss Suratt is as sweet and kind as she is beautiful."

Honestly the NATURE FORM is the best dress form on the market. Drop in and see it demonstrated at 408 North Main street.

WHEN YOUR CHILD GETS CONSTIPATED

Cleanse Its Little Stomach, Liver and Bowels With "Syrup of Figs"

Look at the tongue, Mother! If coated, it is a sure sign that your little one's insides, the stomach, liver and 30 feet of bowels are clogged up with purifying waste matter and need a gentle, thorough cleansing at once.

When your child is listless, drooping, pale, doesn't sleep soundly or eat heartily or is cross, irritable, feverish, stomach sour, breath bad; has stomach-ache, diarrhoea, sore throat, or is full of cold, give a teaspoonful of Syrup of Figs, and in a few hours all the foul, constipated waste, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you surely will have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed. A little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine reliable. Refuse anything else offered.—Advertisement.

EASTERN STAR HAS BOUGHT HOME SITE

Southern California Auxiliary of Masonic Lodge to Build Beautiful Home

LOS ANGELES, Nov. 19.—The Eastern Star Home Association of Southern California has acquired a beautiful home site at the foothills near Santa Monica, in Westgate Heights tract, just north of Brentwood Park. The plot of about six and a half acres lies a short distance from the car line, overlooking the Soldiers' Home and the entire valley, with a view of the Pacific.

It is expected to beautify the grounds with trees, walks, grass plots, flower beds, rose arbors, an orchard of various fruits, garden and several artistic bungalows. Needy members of the Eastern Star will occupy the home.

GET A TEN CENT BOX OF CASCARETS

Keep Your Liver and Bowels Active and You Feel Bully for Months

Put aside—just once—the Salts, Cathartic Pills, Castor Oils or purgative waters which merely force a passage way through the bowels, but do not thoroughly cleanse, freshen and purify these drainage or alimentary organs, and have no effect whatever upon the liver and stomach.

Keep your insides organs pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the intestines and bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Bileousness, coated tongue, Indigestion, Sour Stomach or Constipated bowels. Cascarets belong in every household. Children just love to take them.—Advertisement.

WELL KNOWN MAN DIED AT HEMET YESTERDAY

A Safe Old-Fashioned Remedy Quickly Removes All Distressing Symptoms

W. C. Crawford, president of the First National Bank of Tustin and president of the Santa Ana Wholesale Grocery Company, died yesterday afternoon at 5 o'clock at the home of Reuben Moyer of Hemet. Crawford was well known in numerous business enterprises and as a citrus grower.

He was taken ill at Hemet last Thursday, where he went with his wife and Mr. and Mrs. S. H. C. Ritter to attend the convention of the Santa Ana Valley Baptist Association. Saturday morning he seemed better, but Saturday afternoon he became delirious and remained unconscious until his death yesterday. Mr. Crawford left no children. His widow, who survives him, is a sister of Mrs. Ritter.

AMERICANS DRIVEN OFF MEXICAN RUBBER RANCH BY REBELS

MONTEREY, Nov. 19.—The Cedros ranch, embracing 2,000,000 acres, owned by the International Rubber Company of New York, known as an Aldrich-Rockefeller concern, has been taken possession of by rebels and the manager and all foreign employees upon the property have been forced to flee for their lives.

The ranch is situated in the State of Zacatecas and is the chief source of the guayule shrub supply for the rubber company in Mexico.

Oh, How I Itched!

What long nerve-racking days of constant torture—what sleepless nights of terrible agony—itch—itch—itch, constant itch, until it seemed that I must tear off my very skin—then—

Instant relief—my skin cooled, soothed and healed!

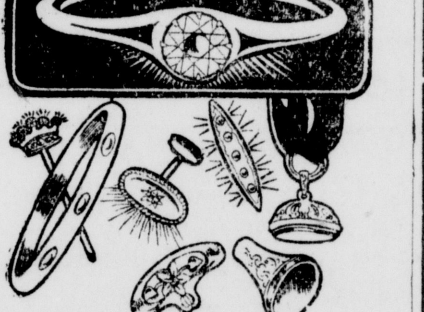

The very first drops of D.D.D. Prescription for Eczema stopped that awful itch instantly; yes, the very moment D.D.D. touched the burning skin the torture ceased. A 25c bottle proves it.

D.D.D. has been known for years as the only absolutely reliable eczema remedy, for it washes away the disease germs and leaves the skin as clear and healthy as that of a child.

All other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.

But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee:—If you do not find that it takes away the itch AT ONCE, it costs you not a cent.

AWAY WITH CATARRH A FILTHY DISEASE

A Safe Old-Fashioned Remedy Quickly Removes All Distressing Symptoms

If you are subject to frequent colds, or if you have any of the distressing symptoms of catarrh, such as stuffed up feeling in the head, profuse discharge from the nose, sores in the nose, phlegm in the throat causing hawking and spitting, dull pain in the head or ringing in the ears, just anoint the nostrils or rub the throat or chest with a little Ely's Cream Balm, and see how quickly you will get relief.

In a few minutes you will feel your head clearing, and after using the Balm for a day or so the nasty discharge will be checked, the pain, soreness and fever gone, and you will no longer be offensive to yourself and your friends by constantly hawking, spitting and blowing.

Shake off the grip of catarrh before it impairs the sense of taste, smell and hearing and poisons your whole system. In a short time you can be completely cured of this distressing disease by using Ely's Cream Balm. This healing, antiseptic Balm does not fool you by short, deceptive relief, but completely overcomes the disease. It clears the nose, head and throat of all the rank poison, soothes, heals and strengthens the raw, sore membranes, making you proof against colds and catarrh.

One application will convince you, and a 50-cent bottle will generally cure the worst case of catarrh. It is guaranteed. Get it from your druggist today. Agents, Rowley Drug Co.

ANAHEIM LOSES TO SANTA ANA IN BASKETBALL GAME

In a snappy basketball game played yesterday on the Anaheim high school field, Santa Ana High won from Anaheim High in a score of 15 to 7. The girls' of the Anaheim aggregation made their points on one field goal and fouls.

The Santa Ana girls developed remarkable team work which gave them the game with a fine score. The feature of the afternoon was the goal throwing of the Santa Ana forwards, Dahlia Malan and Ruth Visel.

The Santa Ana line-up: Forwards, Dahlia Malan, Ruth Visel; centers, Anna Jacobs, Elsie Lutz; guards, Hester Robinson, Julia Pavlich.

Accompanied by their coach, Miss Rosamond Norman, and several others, the Santa Ana team made the trip to Anaheim in automobiles.

PASADENA URGES CITIES TO FIGHT

Cities Affected by Light Rate Cut Asked to Stand by Guns for Four-Cent Rate

PASADENA, Nov. 19.—Orders to be issued by the state railroad commission for a reduction in electric lighting rates to 8 cents a kilowatt hour in a score of Southern California cities and towns, will not cause Pasadena city officials to abandon their efforts to have the same municipalities adopt a 4-cent a kilowatt hour rate, the same as has been voluntarily established in this city by the California Edison Company.

Announcement of the intention of the railroad commission to put into effect a lower maximum rate through Southern California was expected, in fact predicted more than a week ago by local city officials. The action of the board is the direct result of evidence put before it by City Attorney William J. Carr of this city, in his efforts to prove the allegations made in a suit against the Edison company that it was charging excessive rates in other territory in order to carry on its rate-cutting fight with the municipal plant of this city.

While the order of the commission is expected to result in several municipalities abandoning their present plans to establish a 4-cent rate, a major portion of the 20 cities and towns appealed to by Pasadena for co-operation in its fight against the Edison company are expected to stand by their guns and put into effect the same rate which the big electrical corporation has established here.

Declarations made by City Attorney William J. Carr and Mayor William Thum are to the effect that the railroad commission's order will have little or no effect on the move now in progress to force the Edison company to give other cities the same rate which it has voluntarily established here.

Don't forget to attend Raymond's Great Reduction Sale, now going on.

A large shipment of avocados came on the market yesterday from Mexico. They are bringing about \$4.50 a dozen. Grapes are becoming more scarce and have advanced considerably in price. The varieties in evidence are Muscats, Malagas, Tokays and Emperors. Apples were selling about the same. Receipts were larger than usual—13,266 boxes. Some very fine storage pears were selling around 5 cents a pound. Unbleached Sultana raisins were slightly cheaper. Some chestnuts were offered at 8 cents a pound. Black walnuts were on the market and brought about 10 cents.

Receipts of potatoes were very heavy—10,555 sacks. The price remained about the same. Sweet potatoes were somewhat cheaper and good stock could be secured as low as \$1.50. Large shipments from the north caused this vegetable to be more plentiful. Bell peppers were somewhat more scarce than usual, and prevailing prices were around 5 to 6 cents a pound. Receipts of beans were 408 sacks, and 677 sacks of onions came in.

Eggs were firmer. As high as 48 cents was asked for local case-accounts. Receipts were 69 cases. Butter was steady, and receipts were 16,040 lbs. Cheese was weak. Northern fresh was offered as low as 17½ cents a pound. Imported Swiss cheese offerings were below the market quotation in some instances. Receipts were 608 pounds. Some eastern Baisies cheese was put up for sale for future delivery at 20 cents.

MacDonald Wins Another Decision Establishing Title to Placentia Ranch

Today Judge West found judgment for the defendants in the suit brought by Public Administrator Winbigger as administrator of the estate of Thomas Devonshire against Roy Arthur MacDonald, Thomas Strain and others. MacDonald in another action got judgment entitling him to the \$25,000 estate of his grandmother, Lucy Devonshire. Her estate was dependent upon a deed given her by Thomas Devonshire, who died several years before her death. Winbigger, for the Thomas Devonshire heirs, attacked that deed. The deed was today held to be good. Williams & Rutan represented MacDonald, and Scarborough & Forgy represented Winbigger.

IN THE JUSTICE COURT

HE SAYS THEY
ROBBED HIM

Tustin Laborer Identifies Men Who Took \$10 at Point of Gun

Proprietors of Two Dairies Fined \$20 Each on Charge Brought by Inspector

The two men arrested by Officers Hamilton and Ryan near the depots were taken from jail yesterday, Van Boykin into City Recorder Willson's court on a charge of carrying a concealed weapon and J. A. Law into Justice Cox's court on a charge of vagrancy.

Van Boykin declared he has been working at Olinda. The officers think Boykin is a bad hombre. A tremendous pistol, a box of cartridges and a flashlight were found on him. He said he wanted time to write to relatives for money. His arraignment was continued to 10 o'clock tomorrow.

Law asked for a jury trial. He assumed an attitude of defiance and threats. His plea of not guilty was received, and the trial was set for December 31.

J. A. Law and Van Boykin are robbers. That is what F. L. Ahlf says, and he says he knows because while Boykin held a big revolver against his stomach Law went through his pockets and extracted \$10. Today Ahlf swore to a complaint charging the two men with robbery, and instead of getting off with prosecutions for misdemeanors the unsavory pair will have to face felony accusations.

Ahlf has been working on ranches near Tustin for several months. On the night of November 9 he was camped beside the Double avenue, and was rolled up in a blanket asleep when he was awakened by two men who robbed him.

Ahlf looked the two men over at the county jail this morning and positively identified them as the robbers. These men were followed by city officers because it was suspected that they had tried to waylay an intoxicated man on East Fourth street.

They Plead Guilty
Ray Hasson, deputy state dairy inspector connected with the pure food department, today swore to two complaints against local dairies. J. Harmon was arrested on an accusation of having sold cream from a dairy where the milkhouse was not clean and from cans that had not been sterilized by boiling water or steam. He pleaded guilty and paid a fine of \$20. Miss L. E. Letherman was charged with selling milk to A. J. Perkins, Mrs. W. G. Wells and others when pails, cans, bottles, containers and other utensils used in the dairy had not been sterilized and when the yards of the dairy were filthy and in an unsanitary condition. Miss Letherman pleaded guilty and paid a fine of \$20.

Case is Dismissed
R. J. Read, brought back from Independence on a charge of embezzling a horse and buggy rented to him by the Iowa stables several months ago, was discharged today, Justice Cox having dismissed the case on the request of the district attorney's office. It was learned that when Read, who lived here, rented the rig he said he wanted

OH! WHAT BEAUTIFUL
NEW SERGE DRESSES

Yes, they've just come in, 60 charming new serge dresses, embodying the latest ideas for street wear. We never have shown such a beautiful line. They are handsome and distinctive. They are moderately priced. And there is such a wide variety of styles, from the simple to the elaborate, that we know we can please you. Let us try. It doesn't cost you a cent to look at them; we are glad to show you.

Peter Tompsons \$10 and \$12.50

The Peter Tompson is fast becoming the most popular dress for misses. It is so simple yet so attractive. It is serviceable and it stays in style.

Our new Peter Tompsons are made of a splendid serge, and finished beautifully. You can't find a single fault, either in cut, fit or make. We have them in blue trimmed in red or white; in red trimmed in black, and in all black.

Serge Dresses \$15 to \$22.50

These new serges for ladies show the late ideas in jacket effects, the Bernhardt collar, and trimmed reverses. Then there are some hand-some plain tailored lace yokes, or with a touch of velvet or satin.

As to colors, they come in blues of several shades. It will pay you to see them and try them on.

New Ruffings, 25c to 75c

You have been waiting for these new ruffings. They're here, in white and creams, net with plain edges and net with lace edges. Prices 25c to 75c yard.

Silver and Gold Cloth

We now have in stock cloth of gold and cloth of silver to be used under fancy nets for yokings. Width 24 inches, price \$1.00 a yard.

Special Sale Fahcy Lace Waists

This is clean up of fancy waists. Most of them are embroidered net lace over silk, and chiffon over silk, in black, cream and colors. They are not this year's styles, but most of them with a few simple changes can be made into beautiful waists at less than half the cost of a new one. We are closing them out way below cost. They were regularly priced at \$6.00 to \$9.00. We are offering them at \$2.50 to \$3.75.

Doeskin Gloves, 50c to \$1.00

BOARD OF SUPERVISORS

TODAY CLOSED
THE PURCHASE

Deal for 72 Acres at West Orange for \$24,250 is Now Completed

The Board of Supervisors today closed the deal with the Dawn Land Company for the purchase of seventy-two acres at West Orange for a county poor farm and hospital site. The purchase price is \$24,250. When the board met two weeks ago it was understood that the purchase would be made, and a notice of intention to make the purchase was published to comply with the law.

The property lies west of the Anaheim road at the west end of Chapman street. The land is a sandy loam.

The supervisors today set December 17 as the date for receiving bids for the purchase of \$50,000 school bonds of the Fullerton Union High School district.

KANSAS' RECORD
ELECTION VOTE

G.O.P. and Dems 333,000; Socialists 30,000; Wisconsin Socialists Gain 20 Per Cent

TOPEKA, Kas., Nov. 19.—Kansas cast the largest vote ever recorded in the state at the election two weeks ago. The total Republican and Democratic vote will exceed 333,000 and the Socialist vote will reach 30,000, according to the returns compiled today.

This makes a total of 363,000 compared with 325,921 cast two years ago.

SOCIALIST VOTE GAIN IN WISCONSIN 20 PER CENT
MADISON, Wis., Nov. 19.—Official election returns as filed with the secretary of state of all the counties in the state show that the expected Socialist gains over 1908 have not materialized and that the actual increase, instead of being over 100 per cent as expected, will be only 20 per cent. The majority against woman suffrage was 92,346.

Flagged Train With Shirt

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all druggists.—Advertisement.

6-YEAR TERM FOR PRESIDENT MAY BE STRONGLY URGED

WASHINGTON, Nov. 19.—President Taft's declaration in favor of a constitutional amendment to limit the presidential tenure of office to a single term of six years, with ineligibility either to a succeeding or non-con-

secutive term, and President-elect Wilson's endorsement of the Democratic platform favoring such a limitation are believed here to foreshadow strong pressure for legislation along this line early in the coming congress.

U. S. MILITIA TO BE MADE READY FOR WARFARE

War Department Asks Aid of New Plan for Organizing Men Into 12 Divisions

Instructors and War Material Will Also be Furnished by Department

WASHINGTON, Nov. 19.—One of the most important moves in recent years to prepare the national militia for use in time of war is proposed in letters addressed by Acting Secretary Oliver to the governors of all the states and territories inviting co-operation in the war college plans for the organization of the militia into 12 tactical divisions.

The letters point out that if the militia is to be used as a field force effectively in war time it can be done by this system of divisions, and to insure the proper working of the plan all of the details should be worked out in time of peace.

In the outline of the divisions no place is given to separate companies of infantry, which it is said should be absorbed into regiments or other larger organizations. Field armies should be formed by the grouping of two or more divisions of the militia or by combining one of two divisions of militia with one of regular troops. Regular organizations would form the fourth brigade of any division assigned to a field army, for the reason that the regular army must go anywhere upon call.

Some money will be available for the assistance of the state authorities. The war department also proposes to detail inspector-instructors to assist state officials and war material for the militia will be distributed and stored in suitable depots to be on hand locally when mobilization is ordered.

General Oliver plans to have the first four of the 16 tactical divisions composed entirely of regular troops, with the District of Columbia militia assigned to duty as regulars.

The remaining divisions would be composed of the following named state militia organizations:

Fifth, headquarters at Boston; Maine, New Hampshire, Vermont, Massachusetts, Rhode Island and Connecticut.

Sixth, headquarters at Albany, N. Y.

Seventh, headquarters at Harrisburg, Pa.

Eighth, headquarters at Washington, New Jersey, Maryland, Delaware, Virginia, West Virginia.

Ninth, headquarters at Atlanta; North Carolina, South Carolina, Georgia, Florida.

Tenth, headquarters at Nashville, Tennessee, Kentucky, Alabama and Mississippi.

Eleventh, headquarters at Columbus; Ohio and Michigan.

Twelfth, headquarters at Chicago; Illinois, Indiana.

Thirteenth, headquarters at St. Paul; Iowa, Wisconsin, Minnesota, North Dakota and South Dakota.

Fourteenth, headquarters at Kansas City; Missouri, Kansas, Nebraska, Wyoming, Colorado.

Fifteenth, headquarters at San Antonio; New Mexico, Oklahoma, Texas, Arkansas, Louisiana.

Sixteenth, headquarters at San Francisco; California, Oregon, Idaho, Washington, Montana, Utah, Nevada and Arizona.

Under this comprehensive scheme every militia organization in the United States is definitely placed in the station it would occupy in mobilization of the army for war purposes.

INVITATION OF PASADENA NOT FAVORED

Santa Ana Will Not Join in Plan for Widespread Four-Cent Electric Rate

City Marshal Instructed to Arrest Men in Charge of Fast P. E. Trains

The City Trustees last night declined to enter into the proposal made by Pasadena's city officials, which proposal was that all cities served by the Southern California Edison Company take cognizance of the fact that the Edison company is selling electric juice in Pasadena at a rate of four cents per kilowatt hour, and require that the same rate be established in each of the other cities served by the Edison company. Santa Ana is paying nine cents.

Trustees Ey, Alderman and McPhee were present, Trustees Greenleaf and Grubb absent. The matter came up when City Clerk Burke read a lengthy communication from the Pasadena City Council in regard to the electric light situation in that city. Burke stated that the Railroad Commission has ordered the rates in several cities cut to eight cents per kilowatt hour, including Santa Ana, and that the Edison company is going to cut the rate here to eight cents.

The Pasadena communication stated that in the fight made by the Edison company of Pasadena against the municipal plant, the Edison company furnishes electricity for four cents. Pasadena urged that Santa Ana fix a rate using the voluntary four-cent rate at Pasadena as a basis.

McPhee said he objected to Pasadena endeavoring to use Santa Ana to help pull its chestnuts out of the fire. He said there is a war on at Pasadena, a rate-cutting war. He said that Pasadena's report shows it is making money, and yet Pasadena is asking the other cities to join in the fight to help put the Edison company to a disadvantage.

Burke was asked to read a report from the Railroad Commission. The commission declined to give Pasadena an order instructing the Edison company to quit its fight, but suggested an amendment.

McPhee quoted from the hearing before the commission to show that City Attorney Carr of Pasadena feared to raise the city rate because people would say the city could not compete with a private concern. McPhee said that Pasadena's streets are among the poorest lighted streets in the state. McPhee said Santa Ana gets about \$6500 annually under the Edison franchise. As compared to the other towns, he thought Santa Ana is doing well enough.

McPhee moved that the Pasadena communication be laid on the table. Carried.

H. A. Jones applied for a re-issuance of a license to run a poolroom at 416 North Main street. The application was granted, no votes.

A check for \$250 was received to cover expenses of advertising for sale a franchise. Southern Counties Gas Company officials asked for a meeting today to consider the number of years to be proposed in the franchise.

A check for \$311.25 was received from the P. E. as its payment under its franchise. The statement was referred to McPhee, Alderman and Burke.

The P. E. asked for a franchise to run electric cars along a proposed spur at Santa Clara avenue connecting the P. E. and the S. P. tracks.

Alderman said he would like definite information as to what is proposed to do. If it is planned to haul sugar beets through the city, it would be objectionable, but if it is proposed to electrify the S. P. it might be of advantage to the city.

"They might promise to do as they did on Second street—take off the steam cars," said Ey, "and instead only make it a switching station, and a nuisance to the near-by residents." The matter was referred to the

inite information as to what is proposed to do. If it is planned to haul sugar beets through the city, it would be objectionable, but if it is proposed to electrify the S. P. it might be of advantage to the city.

"They might promise to do as they did on Second street—take off the steam cars," said Ey, "and instead only make it a switching station, and a nuisance to the near-by residents." The matter was referred to the

Street Committee for investigation. Property owners on Birch between Sixth and Hickey asked that a light be installed on that block. The petition was referred to the street lighting committee with power to act.

Mrs. E. E. Dibble protested against the further continuance of an automobile stand on Main street next to Mrs. Dibble's property at the Fourth street corner. The matter was referred to the Street Committee.

Question of Law

Ey referred to the request of C. Rohmer, a Santa Clara avenue property owner for extending a water main east on Santa Clara from Grand avenue to the city limits. Several residents outside the limits offered to buy water. The city attorney said the city cannot sell water outside the city.

Alderman said he thought Heathman mistaken, as it is proposed to deliver the water into the outsider's pipeline, the delivery to be inside the city.

Heathman replied that the law does not allow the city to go into the water business except to supply its taxpayers. Water Superintendent Reid said the city is already selling to outsiders. It sells to a railroad, which hauls it away, and already supplies water to outsiders through pipes. Heathman again declined to admit the legality of the proposal. Rohmer offered to pay a double rate, if the pipe is laid to his place, until the cost of the pipe is paid. He said his well has dried up, and others in the vicinity are drying up. The matter was referred to Reid and Alderman.

Alderman said some residents along the outfall sewer want to connect with the sewer and will pay for it. Heathman said it can't be done legally. Alderman said the city will not be harmed and the residents will be greatly benefited. Heathman went into a discussion of the general powers of the city. He said the city can't go into general business.

"We rented the sewer farm," said Alderman, "and we did it with your sanction. We entered into that business."

Alderman for a committee recommended that a request for a sewer on Sycamore street between Tenth and Church be granted provided the sewer be laid from Church to Washington, and that sidewalks and curbs be laid.

To Begin Action

Alderman, Burke and McPhee reported on conferences with Cassou of Anaheim in regard to straightening Flower street between Walnut and Pine. Cassou will give the strip if the city will sidewalk the property; cost, \$195. McPhee moved that the offer be rejected and that condemnation proceedings be brought against Cassou, who represents Antoine Goiren of France, the owner. McPhee said the widening of the street will improve the property and the city should pay nothing, hence he believed a suit advisable. Goiren owns twelve lots there. It was proposed to proceed under a district plan and make the twelve lots pay the expense of the suit. Ey suggested a compromise offer, the city to pay for the curb, the strip to be given free.

The discussion ended by instructing the city attorney to take the necessary steps to form an assessment district of the twelve lots to force the widening of the street.

The city clerk read the first resolution for the formation of a district in the southern part of the city for laying sewers. This resolution contains a description of the proposed district, which includes the unserved portion of the city south of the present sewers, north of McFadden street and west of Orange avenue.

After the P. E.

Clerk Burke said he had notified the P. E. that the city desired that the tracks be improved on West Fourth between Bristol and Hyperion, but had received no reply.

"To see if we are running this city," said McPhee, "I move that we notify that company to fix those tracks at once, else we will begin proceedings." The motion carried.

McPhee: "The P. E. runs its cars at a high rate of speed—thirty-five or

forty miles an hour—on Fourth street. Someone will be killed. They are entitled to no more consideration. I move that we instruct the city marshal to enforce the ordinance, which makes it unlawful to go faster than one mile in four minutes. He can take the motormen off the cars and take them before the city recorder."

The motion carried.

The clerk was asked to notify the Southern Pacific to put up a more substantial bulkhead at the end of the S. P. tracks at the corner of Bush and Second streets. Alderman said the present bulkhead is not safe enough.

LAUDS BAY STATE PROGRESSIVES

Roosevelt Praises Promptness in Calling Mass Meeting to Keep up Fight

BOSTON, Nov. 19.—Colonel Theodore Roosevelt in a letter to the Massachusetts Progressive party state committee, given out last night, compliments the Progressives of Massachusetts for taking the first mass action for the continuance of the fight for progressive principles.

"All good citizens throughout the land are their debtors," said Colonel Roosevelt of the Massachusetts Progressives, who recently held meetings at which plans were laid for the continuance of the work of the party.

"One of the most striking features of this campaign," writes Colonel Roosevelt, "has been the fact that defeat did not bring the slightest discouragement with it. I have received hundreds of messages since election and every one of them was cheerful and showed an indomitable resolution to continue the fight and never to abandon it until the principles of the Progressive platform are embodied in our system of government."

A Wonderful Sale of Pianos and Player Pianos

BIGGEST VALUES EVER OFFERED IN ORANGE COUNTY Geo. J. Birkel Co. Takes Lease and Buys Stock of Schall Music House

Your chance to buy a good Piano or Player Piano—and buy it RIGHT—to buy on your own terms—has come at last! We've taken over complete the business of the Schall Music House—bought the lease—bought the stock—picked it up at a sacrifice—and will SACRIFICE IT TO YOU. Mr. Schall's instruments are all reliable makes, such as he could recommend and guarantee to you, his neighbors and fellow citizens. They are worth every penny of the prices he placed on them. But we are not satisfied to sell them slowly as he would have done. WE MUST FORCE THEM OUT, THOUGH IT WILL TAKE BARGAIN PRICES TO DO IT. Sale is now on and you can select—

Selling out his business was a real sacrifice to Mr. Schall. Sickness in his family compelled him to make the move. What he has to say in the matter you can read below. Certainly his letter attests to the genuineness of this sale, and the reasons which compelled him to make this sacrifice.

READ MR. SCHALL'S LETTER

Santa Ana, Cal., Nov. 13, 1912.

Geo. J. Birkel Co., Los Angeles, Cal.
Gentlemen:—After careful consideration I have concluded to accept your offer to purchase my entire stock of Pianos, Player Pianos, Player Music, Stools, Benches and Scarfs. It is, of course, a great disappointment to myself and family that we cannot carry out our plans, establishing a business here, but sickness in my family makes it absolutely necessary for me to return at once to Minnesota. It is for this reason only that I am compelled to accept your offer and act quickly—I personally selected every one of these Pianos and Player Pianos, have sold them for years in my eastern home, know how well they wear and give musical satisfaction—and in turning these instruments over to you, I wish to express my thanks for your prompt action in assisting me to hurriedly adjust my affairs and to recommend these instruments and your very excellent concern to any who may be thinking of buying a real musical instrument.

Respectfully,
(Signed) SCHALL MUSIC HOUSE.

MINE PROMOTERS FACE FRAUD CHARGE

Hawthorne Mining Group,
Widely Exploited, is Now Being
Probed by U. S. Court

NEW YORK, Nov. 19.—The federal government called for trial in the United States district court here yesterday what it considers one of its important cases, growing out of alleged misuses of the mails. It involves the integrity of the so-called Hawthorne group of mining stocks and brings to the bar as defendants men of national reputation.

They are five in number—Julian Hawthorne, son of the novelist, Nathaniel Hawthorne; Josiah Quincy, former mayor of Boston and assistant secretary of state in the Cleveland administration; Albert Freeman, a promoter; Dr. Wm. J. Norton, a nerve specialist, and John McKinnon, secretary-treasurer of the Hawthorne companies.

All were engaged directly or indirectly in the sale of stock in the Hawthorne silver and iron mines companies and allied concerns and were indicted in January last for alleged use of the mails to defraud investors.

The government contends that at least \$3,000,000 accrued from the sale of securities; that sales were effected through misrepresentation of the character of the properties and that notwithstanding promises, no dividends have been paid.

The defendants maintained they have been the victims of a ruthless crusade on the part of the postoffice department. Before the case was called yesterday a statement was issued in their behalf in part as follows:

"The defendants contend that the primary cause of the suspension of operations at their mines is the action of the postoffice department, instituted two and a half years ago and vigorously prosecuted ever since, destroying confidence of stockholders in their investment and in the management, thus compelling the directors to suspend operations until the government case could be disposed of."

SANTA FE TO BUILD A SECOND TRACK

SAN BERNARDINO, Nov. 19.—The sum of \$978,000 has been appropriated by the Santa Fe Company for a second track through the San Bernardino mountains, to be built at a low grade. The work will start within the next several weeks. The contracts have already been let in anticipation of the granting of the authority by the Board of Directors. Notification of the action of the board was received last night.

The new line will be built from Keenbrook to Summit, a distance of ten miles, and the specifications include several long tunnels. The present 3 per cent grade on the old line will be reduced on the new line to 2 1/2-10. This is expected to eliminate one-third of the motive power.

The eastbound trains will use the new line and the westbound trains the old line. The survey for a second line on the desert side of the mountains has been completed. The building of the double track from San Bernardino to Keenbrook, a distance of nine miles, is just being completed.

MISSOURI WOMEN WILL NOW ORGANIZE TO WIN SUFFRAGE

The new organization will assist in the movement to place Missouri in the suffrage column.

Lard soaked pies have caused a world of indigestion, and pies therefore have been wonderfully abused, and in some cases tabooed. When properly made with Cottolene and eaten at suitable times, pies are no more indigestible for a normal person than are many other foods which so far have escaped this criticism.

southern part of the state for the purpose of building a standard steam railroad to connect San Diego and Los Angeles by way of Escondido. It was proposed to begin construction in San Diego and to build as far as Escondido. It was estimated that this would cost \$3,306,000. The railway company asked for permission to issue \$3,000,000 in bonds, but the commission placed the figure at \$2,500,000.

The commission makes as a condition to the issuance of the \$2,500,000 of bonds, that the railway company shall present a satisfactory showing as to the method by which it shall raise the balance of the money needed to build the railroad as far as Escondido.

In the course of its decision the commission takes occasion to review in detail the affairs of the San Diego, Riverside & Los Angeles Railway Company. It criticises several transactions and calls into question their validity.

The commission finds that the whole stock issue, to the amount of \$8,000,000, was issued between March 12 and March 23, 1912, the date when the Public Utilities Act became effective. In this connection the commission says:

"Applicant's attorneys should have known that the policy of the state, as expressed by the Public Utilities Act, was against such procedure and that this act would become effective within less than 12 days after the first of the stock was issued."

The commission further finds that the company's franchises have not been fully protected and requires that proper steps be taken to safeguard them before the bonds be issued. The decision also states that the company failed to file the proper documentary evidence to substantiate statements that the bonds had been unwritten and the contract for their sale signed in May or June of this year. The commission says:

"The commission will not be disposed hereafter to view with favor the petition of an applicant to issue securities, particularly in large amounts, unless it shall appear to the commission that the applicant has manifested good faith in its formation and in the acquisition and retention of its franchise rights. Applicants should certainly be required to clear away all clouds on their legal existence and to show a compliance with ordinary dictates of good faith, before this commission can well consider a request for an authorization to incur responsibilities and obligations imposed by the issuance of stocks and bonds."

The commission requires that the company shall clear up all doubtful proceedings or transactions; that it shall submit a trust deed satisfactory to the commission before the bonds may be issued. It is stated that the enterprise is being promoted by capitalists or Southern California in connection with English financiers.

LOS ANGELES TO BE THE CITY BEAUTIFUL

Civic Center Association Forms
to Make it Grandest City
in the World

LOS ANGELES, Nov. 18.—The movement to make Los Angeles the grandest and most beautiful city in the world was given impetus Saturday when the Civic Center association was incorporated. A number of the city's prominent business men are named in the articles of incorporation as directors. The Civic Center Association will co-operate with residents in an effort to obtain the construction of public buildings and private improvements.

The association will assist in every way in the establishment and maintenance of a civic center and in promoting the growth, development and beautification of the city. It aims to foster and promote among the residents a spirit of pride in its growth and development and to induce them to co-operate to bring about these ends.

The directors, who are to serve one year, are: Marco H. Hellman, R. A. Rowan, A. C. Billicke, F. M. Coulter, J. M. Schneider, C. Wesley Roberts, Miles S. Gregory, Arthur Lettis and Fred W. Blanchard.

The association is incorporated for fifty years. Among the stated functions will be the enactment of legislation beneficial to the city, the holding and acquiring of real estate and the borrowing and lending of money for the purposes of helping Los Angeles.

Strength

The strength of a banking institution consists not alone in its financial resources but also in the character and ability of its officers and directors and in the confidence and loyalty given it by the community of which it is a part. These banks are pre-eminently strong in ALL respects.

Service

The proper conception of a banking institution's duties and privileges includes service to its community. A bank must pay its stockholders a fair rate of interest in order to secure and hold investments in its stock; but its duty does not end here; it must also render REAL SERVICE to its community in the way of public enterprises and private support. These banks point with pride to their records in these respects.

Solvency

A banking institution to be really and truly solvent must have more and other assets than merely money and credits in excess of its money liabilities. It must have a surplus of character, a reserve fund of reputation, a credit balance of experience, large and moral resources. These banks invite examination as to their moral solvency.
